DRY FRUIT AND VEGETABLE PRODUCTS

ABOUT US

Quang Vinh Food

As a company producing dried products from fresh vegetables and fruits from Vietnam.

The products are mainly produced from popular local agricultural products such as jackfruit, mango, banana, sweet potato,...

Currently, Quang Vinh Food's products are present in most of Vietnam. Quang Vinh Food is considered as one of the prominent companies for the development of agricultural products in the Southwest region of Vietnam.

ABOUT OUR PRODUCTS

3 CRITERIA for making quality products of QUANG VINH FOOD:

Retain the typical flavors of agricultural products to create **naturally delicious** products.

No colorants, no preservatives, no harmful substances to ensure a **healthy** product.

Production costs are optimized to create **cheap** products suitable for ordinary workers.
